

Noticing Alcohol Scripts Worksheet

1. Identify the Situation

Risky environment: _____

When do you go there? _____

Who are you usually with? _____

2. Recognize the Script

What thoughts or expectations come up automatically?

Check any that apply:

☐ "Drinking is expected here."

☐ "It won't be fun if I don't drink."

☐ "Everyone else is drinking."

☐ "I'll feel more comfortable if I drink."

☐ "Just one won't hurt."

☐ "I deserve this."

☐ Other: _____

3. Write Your Script

Put your typical thought into one sentence.

4. Notice the Impact

When this thought shows up, what do you tend to do?

How strong is the urge that follows (0–10)? _____

5. Quick Reflection

Does this script feel automatic?

Does it feel true in the moment?

Remember: Awareness creates a pause. That pause creates choice.
