

Understanding Emotional Avoidance Worksheet

1. The Place

Use this worksheet to explore a place you avoid and understand the role avoidance is playing in your recovery.

Place I avoid: _____

Emotions it brings up: _____

Intensity (0-10): _____

2. What Feels Hard

☐ Memories connected to alcohol

☐ Anxiety or stress

☐ Sadness or grief

☐ Shame or regret

☐ Fear of urges

☐ Other: _____

3. My Current Pattern

☐ I always avoid it

☐ I sometimes avoid it

☐ I go but feel uncomfortable

4. Short-term vs. Long-term

Short-term benefit of avoiding: _____

Long-term cost of avoiding: _____

5. Reflection

Is this avoidance helping me right now?

Might this change in the future?

Remember: Avoidance can be protective, but it works best when it is a conscious choice, not an automatic habit.
