

Tracking Triggers, Thoughts, and Behaviors Worksheet

Use this worksheet to track the people, places, feelings, and situations that prompt cravings today. Record what you thought, how you felt, what you did, and the outcomes.

Triggers	Thoughts and Feelings	Behavior	Positive Consequences	Negative Consequences
<i>What sets me up to drink?</i>	<i>What was I thinking? What was I feeling?</i>	<i>What did I do then?</i>	<i>What positive things happened?</i>	<i>What negative things happened?</i>
