

Urge Surfing Practice Worksheet

Use this script during a craving and record your practice below. Stay with each step for 30-60 seconds.

1. Name the urge: "I am noticing a strong urge to drink."
2. Notice where it shows up in your body.
3. Breathe slowly and describe sensations without judging.
4. Remind yourself: "This wave will pass."
5. Stay with the urge for 2-3 minutes, then choose a safe action.

Trigger	Peak intensity (0-10)	Minutes until it eased	Safe action I chose
